September 14, 2024

Good evening and welcome to our historic Reitz Bowl at F.J. Reitz High School! Thank you for choosing our invitational as your entertainment and competition tonight. We are very lucky to be featuring fifteen of the best bands in our area! I encourage you to not only support and cheer on your home band, but also give every band tonight your attention and support!

As you well know, these students put countless hours into their productions, and truly they show what a bright future this generation holds! As Director of Bands at F.J. Reitz High School, I can assure you that you should feel welcome and comfortable at our venue tonight. We have a variety of concessions for you, as well as great boosters that can assist you with any questions or needs you may have. I have come to call this group of parents and students my family, and for tonight you are part of our family as well!

Tonight, you will be treated to a huge spectrum of music. **"In the Mix"** features songs from **"The Music of Kansas"** to the music from **"LITTLE SHOP OF HORRORS"**. You will be treated to stories like **"A Twisted Classic"**, **"A Bayou Farewell"**, and some that grant **"The Final Wish"**. Other stories take us on a journey through color and art. From the **"Coloring Book"** we learn to color **"Along the Lines"** and to **"Color Outside the Line"**.

It will be an exciting **"4x4"** race where there will be **"Breakout"** stars tonight! So **"Let's Play Cops and Robbers"**. **"Awaits"** us where you may find yourself in a **"Dreamland"** of myths, monsters, and **"Medusa"**.

Be prepared for an exciting conclusion as the Reitz Mighty Marching Panthers perform **"BURN"**! We hope you enjoy a wonderful evening of great shows & young adults at their finest tonight. Thank you again and please enjoy your time here at the Historic Reitz Bowl!

Sincerely,

Alex Grimm

Welcome to F.J. Reitz High School's "Drill on the Hill." Thank you for joining us in the historic Reitz Bowl this evening. I want to express my sincere appreciation for the support you give these young people every day. These students dedicate countless hours in sometimes challenging conditions to perfect their show. Few people understand the commitment this requires, but you do, and we are extremely grateful.

The mission of Reitz High School is to support our students and strengthen our community. Events like this accomplish both. Because of your support, these students are able to connect with peers and represent their school in an incredibly positive way.

I also encourage you to fully invest in the event tonight. We all have very busy lives and often rush from one thing to the next. Consider this time an opportunity to let go of the day's stress and the busy world in which you live. Music, dance, and production are always a welcome escape and what you are about to see and hear promises to be outstanding.

What sets tonight apart from other types of entertainment is the performers. These students work hard everyday in the classroom and at practice. Many have jobs. All are preparing for what the future holds. These young people should give us all hope that our community is in good hands.

Please, sit back, relax, and enjoy the show!

Sincerely,
